We appreciate your donation proposal. After submitting this form and supporting photographs, please allow four to six weeks for processing. Please do not bring an object to MIM before submitting your proposal and being invited by the museum to do so. MIM's Collection Donations Committee reviews all proposals to determine if the object is a match for our collection. All proposals will receive a response; unfortunately, not all can be accepted. Although MIM cannot provide appraisals, donations to MIM may be tax deductible for up to their fair market value. Visit [MIM.org](http://MIM.org) for a list of resources to help you find an appraisal expert in your area.
