

Artist Residency Activity Sheet

Working as a group, chaperones will guide their students through the galleries, addressing these learning prompts. Follow the prompts in order, beginning wherever your group is assigned. When you have completed a task, check it off or get a stamp from a MIM volunteer team member.

Artist Residency Assembly

- During your "travels," look for and listen to a musical instrument that you saw or will see in the MIM Music Theater.
- Optional: When you return to your classroom, search the internet for more information about a genre or style of music you heard in the MIM Music Theater.

Africa / Middle East Gallery

- Play musical instruments at the Africa / Middle East "cart" station.
- Find goblet drums on display in the Africa / Middle East Gallery.

Asia / Oceania Gallery

- Play musical instruments at the Asia / Oceania "cart" station.
- Watch videos in exhibits that feature shadow puppets.

Europe Gallery

- Play musical instruments at the Europe "cart" station.
- Discover balalaikas of different sizes in the Russia exhibit.

Experience Gallery

- Play music together in a group using musical instruments in the Experience Gallery.
- Optional: Take a photo of your group making music together.

Latin America Gallery

- Play musical instruments at the Latin America "cart" station.
- Compare drums on display in the Latin America Gallery based on the materials that were used to make them.

United States / Canada Gallery

- Play musical instruments at the United States / Canada "cart" station.
- Learn how zithers are an important part of American music by watching video clips and visiting exhibits that feature zithers.

Optional: Orientation Gallery

- Use a smartphone to watch the *octobasse* being played on MIM's YouTube channel (MIMphx). *Hint: search the "From the Collection" playlist.*
